SUMMARY

I am a passionate, creative problem solver who loves coding design and designing code. I have experience working as a front end web developer for over 8 years. My goal is not an end goal, but to continually grow and learn.

WORK EXPERIENCE

COALMARCH (2016-2025)
Front End Drupal Developer.

Worked with a positive and inclusive team
to bring custom compositions to life
for the home services industry.
All of the development and designs were with
the user in mind first and foremost.

MORNING TIMES (2011-2016)
Barista / Waiter for a high volume cafe.

Made coffe, but at the heart of the job was
playing an active role in the community by
treating customers how I would want to be
treated and honestly listening to them.

HELIOS (2008-2011)
Barista.

PORT CITY JAVA (2004-2006)
Barista.

YMCA (1999-2004)

EDUCATION

THE IRON YARD (2016 - 2017)
FRONT END DEVELOPMENT / DESIGN

WAKE TECHNICAL COLLEGE (2013-2016)
WEB DEVELOPMENT / DESIGN

EAST CAROLINA UNIVERSITY (1996-1999)
COMMUNICATIONS

A LITTLE MORE...

Music has always been a love of mine, and
I play guitar and sing in the band Gray Young.
We have released 5 full length albums
and one EP.
