CHAS McKEOWN developer/designer

SUMMARY

I am a passionate, creative problem solver, who believes in the power of a good team. I am a web developer and designer who loves coding design and designing code. I have been studying web development and design for over three years and recently graduated from the Iron Yard (a three month immersive web development program).

EXPERIENCE

- Recent graduate of a three month immersive UI development and design program, called the Iron Yard, in Raleigh, NC. Gained the relevent skills and knowledge in order to be a successful front-end developer who is always adapting, growing and learning.
- Designed and developed several projects including two collaborations with back-end developers.
- Am in the discovery phase of two development and design freelance projects.
- Studied web development and design for three years at Wake Technical Community College.

SKILLS

HTML5	GIT
CSS3	GITHUB
SASS	ILLUSTRATOR
BOOTSTRAP	PHOTOSHOP
