Communications *1996–1999*

EXPERIENCE

Front-End Drupal Developer 2017–2026
Coalmarch

- Developed and maintained custom Drupal websites for clients in the home services industry.
- Built responsive user interfaces using HTML, CSS, Sass, JavaScript, jQuery, Drupal, and Twig.
- Translated design mockups into production-ready websites while maintaining visual consistency and attention to detail.
- Collaborated closely with designers, project managers, and developers throughout the project lifecycle, from initial requirements through launch.
- Built and maintained reusable templates and components to support efficient development across multiple client projects.
- Performed extensive cross-browser testing and troubleshooting to ensure consistent functionality across Chrome, Firefox, Safari, and Edge.
- Implemented responsive designs and usability best practices to deliver positive user experiences across desktop, tablet, and mobile devices.
- Diagnosed and resolved front-end bugs, layout issues, and browser-specific inconsistencies.
- Maintained and enhanced existing client websites through feature development, content updates, and ongoing support.

Barista / Waiter 2011–2016
Morning Times

- Delivered customer-focused service in a high-volume café environment.
- Built strong communication, teamwork, and problem-solving skills while working in a fast-paced setting.
