SUMMARY

I am a passionate, creative problem solver who loves coding design and designing code. I have over 8 years of experience working as a front-end web developer bringing custom designs to life for the home services industry. My goal is not an end goal, but to continually grow and learn.

WORK EXPERIENCE

COALMARCH (2017-2026)
Front-End Developer.

Worked with a team
to bring custom compositions to life
for the home services industry.
All of the development and designs were with
the user in mind first and foremost.

MORNING TIMES (2011-2016)
Barista / Waiter for a high volume cafe.

Made coffe, but at the heart of the job was playing an active role in the community by treating customers how I would want to be treated and honestly listening to them.

HELIOS (2008-2011)
Barista.

PORTCITY JAVA (2004-2006)
Barista.

YMCA (1999-2004)
Full time year-round school camp counselor.

Was also a program director for summer camp in 2002.

EDUCATION

THE IRON YARD (2016 - 2017)
FRONT-END DEVELOPMENT / UI DESIGN

WAKETECHNICALCOLLEGE (2013-2016)
WEB DEVELOPMENT / DESIGN

EASTCAROLINAUNIVERSITY (1996-1999)
COMMUNICATIONS

A LITTLE MORE...

Music has always been a love of mine, and
I play guitar and sing in the band Gray Young.
We have released 5 full length albums
and one EP.
